INTRO

London South East is the go-to platform for Private Investors in the UK who have an interest in stocks and shares, and the wider financial markets. The site has been running since 1998 and has grown steadily over the last 20 years – to become a dominating force in the private investor world.

With sections covering research, community, trading, news and analysis – lse.co.uk offers resources that our users have come to adopt as their own. With high engagement and return rates – our loyal user base demonstrate time and again that they trust us to help them in their investment decisions.

WHAT WE OFFER

The website is extensive – and as such, we can offer a wide variety of advertising and engagement opportunities, including traditional CPM/display advertising, Native, Video pre-roll, Mobile targeting, Trade-Now buttons, Comparison tables, Video Interviews (for PLCs and Service Providers), Newsletter / Report Sponsorship, and on-site Sponsorship Opportunities.

OUR AUDIENCE

Our audience is predominantly male, older, with money. Without exception, our users are investor enthusiasts – our site is 100% finance, carrying data on stocks, foreign-exchange, crypto-currency, and financial news and analysis – so you don't visit unless you are interested in financial markets and investment.

The majority of our users are regulars; many returning every day and engaging throughout, either monitoring their portfolios and watchlists, or engaging with the financial discussion boards.

CLS Holdings Buys Two Offices In UK And Germany For GBP55.9 Million

[**Today 11:45**] (Alliance News) - CLS Holdings PLC on Monday announced it had acquired two office properties, one in Germany and the other in the UK, for a combined total of GBP55.9 million excluding costs. The property in north west Berlin, called Kaiserin-Augusta-Allee 112 & 113, is a six-storey office made up of two adorned buildings, which the London-based property investment company bought from German investment manager Deutsche Investment KVG for EUR43.5 million.
