

Filtronic

New contract with Leonardo

Filtronic has won a new contract with Leonardo, its lead defence customer, worth £0.8m. The contract is to supply high-performance modules for airborne radar applications and is expected to ship in H226. The contract expands the range of products supplied to Leonardo and highlights the company's position in the growing defence market. We maintain our forecasts.

Year end	Revenue (£m)	EBITDA (£m)	PBT (£m)	EPS (p)	DPS (p)	P/E (x)	Yield (%)
5/23	16.3	1.3	0.1	0.06	0.00	N/A	N/A
5/24	25.4	4.9	3.4	1.43	0.00	92.3	N/A
5/25e	54.9	16.1	14.1	5.78	0.00	22.8	N/A
5/26e	50.0	9.9	7.4	2.82	0.00	46.8	N/A

Note: EBITDA, PBT and EPS (diluted) are normalised, excluding amortisation of acquired intangibles, exceptional items and share-based payments.

The high performance modules will be used in Leonardo's state-of-the-art Active Electronically Scanned Array (AESA) radar system and will be manufactured in Filtronic's new highly automated hybrid microelectronics manufacturing facility in Sedgfield, County Durham.

Having built a strong position in the space market, including the strategic agreement with SpaceX and recent contracts signed with the European Space Agency/Viasat and Airbus/Eutelsat OneWeb, Filtronic is also keen to grow its presence in other verticals. It has a well-established aerospace and defence business, and with the increase in defence budgets in the UK and Europe, is well positioned to win business as these budgets are deployed.

Australia

Edison Investment Research Pty Ltd (Edison AU) is the Australian subsidiary of Edison. Edison AU is a Corporate Authorised Representative (1252501) of Crown Wealth Group Pty Ltd who holds an Australian Financial Services Licence (Number: 494274). This research is issued in Australia by Edison AU and any access to it, is intended only for "wholesale clients" within the meaning of the Corporations Act 2001 of Australia. Any advice given by Edison AU is general advice only and does not take into account your personal circumstances, needs or objectives. You should, before acting on this advice, consider the appropriateness of the advice, having regard to your objectives, financial situation and needs. If our advice relates to the acquisition, or possible acquisition, of a particular financial product you should read any relevant Product Disclosure Statement or like instrument.

New Zealand

The research in this document is intended for New Zealand resident professional financial advisers or brokers (for use in their roles as financial advisers or brokers) and habitual investors who are "wholesale clients" for the purpose of the Financial Advisers Act 2008 (FAA) (as described in sections 5(c) (1)(a), (b) and (c) of the FAA). This is not a solicitation or inducement to buy, sell, subscribe, or underwrite any securities mentioned or in the topic of this document. For the purpose of the FAA, the content of this report is of a general nature, is intended as a source of general information only and is not intended to constitute a recommendation or opinion in relation to acquiring or disposing (including refraining from acquiring or disposing) of securities. The distribution of this document is not a "personalised service" and, to the extent that it contains any financial advice, is intended only as a "class service" provided by Edison within the meaning of the FAA (i.e. without taking into account the particular financial situation or goals of any person). As such, it should not be relied upon in making an investment decision.

United Kingdom

This document is prepared and provided by Edison for information purposes only and should not be construed as an offer or solicitation for investment in any securities mentioned or in the topic of this document. A marketing communication under FCA Rules, this document has not been prepared in accordance with the legal requirements designed to promote the independence of investment research and is not subject to any prohibition on dealing ahead of the dissemination of investment research.

This Communication is being distributed in the United Kingdom and is directed only at (i) persons having professional experience in matters relating to investments, i.e. investment professionals within the meaning of Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "FPO") (ii) high net-worth companies, unincorporated associations or other bodies within the meaning of Article 49 of the FPO and (iii) persons to whom it is otherwise lawful to distribute it. The investment or investment activity to which this document relates is available only to such persons. It is not intended that this document be distributed or passed on, directly or indirectly, to any other class of persons and in any event and under no circumstances should persons of any other description rely on or act upon the contents of this document.

This Communication is being supplied to you solely for your information and may not be reproduced by, further distributed to or published in whole or in part by, any other person.

United States

Edison relies upon the "publishers' exclusion" from the definition of investment adviser under Section 202(a)(11) of the Investment Advisers Act of 1940 and corresponding state securities laws. This report is a bona fide publication of general and regular circulation offering impersonal investment-related advice, not tailored to a specific investment portfolio or the needs of current and/or prospective subscribers. As such, Edison does not offer or provide personal advice and the research provided is for informational purposes only. No mention of a particular security in this report constitutes a recommendation to buy, sell or hold that or any security, or that any particular security, portfolio of securities, transaction or investment strategy is suitable for any specific person.
