H126 results

ADR: Underlying EPS up 43% y-o-y

Datatec reported a strong performance for H126, with adjusted EBITDA growth of 22% y-o-y, adjusted EBITDA margin expansion from 5.9% to 7.0% and 43% growth in underlying EPS (uEPS) to 19.3c. Software and services increased to 71% of gross invoiced income, further improving margins and visibility. Net debt halved from the prior year level and the company announced an interim dividend of 175ZARc/10c (20c for the ADR, +133% y-o-y). Management expects all divisions to report a better financial performance in FY26 than in FY25. We are reviewing our forecasts.

Year end	Revenue (\$m)	PBT (\$m)	EPS (\$)	DPS (\$)	EV/sales (x)	P/E (x)	Yield (%)
2/24	3,992.4	76.5	0.39	0.14	0.2	19.2	1.9
2/25	3,639.7	136.6	0.68	0.31	0.3	11.1	4.1
2/26e	3,778.4	164.7	0.84	0.38	0.2	9.0	5.1
2/27e	3,912.4	184.1	0.94	0.44	0.2	8.0	5.8

Note: PBT and diluted EPS are normalised, excluding amortisation of acquired intangibles, exceptional items and share-based payments. EPS and DPS are per ADR.

At the group level, Datatec reported a 9.4% increase in gross invoiced income (GII), 11.7% growth in gross profit, 21.9% growth in adjusted EBITDA, 43% growth in uEPS and 109.5% growth in headline EPS. Due to the change to revenue reporting initiated in FY25, where a large proportion of software is now net revenue accounted, movements in reported revenue are less relevant.

At a divisional level, Westcon saw a 9.8% increase in GII, a 13.8% increase in gross profit and a 7.3% increase in adjusted EBITDA, with the adjusted EBITDA margin growing 0.5pp to 7.8%. Logicalis International saw GII growth of 11.4%, gross profit growth of 11.3% and adjusted EBITDA growth of 36.5%, showing the strong operational leverage in the business. The EBITDA margin increased 1.8pp to 8.5%. Logicalis Latin America saw an improved performance after a weak H125 and, while GII declined by 0.4%, gross profit grew 6.2% and adjusted EBITDA more than doubled. The adjusted EBITDA margin increased 2.7pp to 5.3%. The rate of conversion of gross profit to EBITDA improved at a group level from 24.5% in H125 to 26.7% in H126, helped by a significant increase in Logicalis Latin America from 11.6% to 23.0% and growth in Logicalis International from 23.4% to 28.7%, partially offset by a small decline in Westcon from 32.9% to 31.1%.

Management sees AI and hybrid working as key demand drivers for its solutions, adding complexity and requiring new infrastructure for data centres, networking and cybersecurity.

Australia

Edison Investment Research Pty Ltd (Edison AU) is the Australian subsidiary of Edison. Edison AU is a Corporate Authorised Representative (1252501) of Crown Wealth Group Pty Ltd who holds an Australian Financial Services Licence (Number: 494274). This research is issued in Australia by Edison AU and any access to it, is intended only for "wholesale clients" within the meaning of the Corporations Act 2001 of Australia. Any advice given by Edison AU is general advice only and does not take into account your personal circumstances, needs or objectives. You should, before acting on this advice, consider the appropriateness of the advice, having regard to your objectives, financial situation and needs. If our advice relates to the acquisition, or possible acquisition, of a particular financial product you should read any relevant Product Disclosure Statement or like instrument.

New Zealand

The research in this document is intended for New Zealand resident professional financial advisers or brokers (for use in their roles as financial advisers or brokers) and habitual investors who are "wholesale clients" for the purpose of the Financial Advisers Act 2008 (FAA) (as described in sections 5(c) (1)(a), (b) and (c) of the FAA). This is not a solicitation or inducement to buy, sell, subscribe, or underwrite any securities mentioned or in the topic of this document. For the purpose of the FAA, the content of this report is of a general nature, is intended as a source of general information only and is not intended to constitute a recommendation or opinion in relation to acquiring or disposing (including refraining from acquiring or disposing) of securities. The distribution of this document is not a "personalised service" and, to the extent that it contains any financial advice, is intended only as a "class service" provided by Edison within the meaning of the FAA (i.e. without taking into account the particular financial situation or goals of any person). As such, it should not be relied upon in making an investment decision.

United Kingdom

This document is prepared and provided by Edison for information purposes only and should not be construed as an offer or solicitation for investment in any securities mentioned or in the topic of this document. A marketing communication under FCA Rules, this document has not been prepared in accordance with the legal requirements designed to promote the independence of investment research and is not subject to any prohibition on dealing ahead of the dissemination of investment research.

This Communication is being distributed in the United Kingdom and is directed only at (i) persons having professional experience in matters relating to investments, i.e. investment professionals within the meaning of Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "FPO") (ii) high net-worth companies, unincorporated associations or other bodies within the meaning of Article 49 of the FPO and (iii) persons to whom it is otherwise lawful to distribute it. The investment or investment activity to which this document relates is available only to such persons. It is not intended that this document be distributed or passed on, directly or indirectly, to any other class of persons and in any event and under no circumstances should persons of any other description rely on or act upon the contents of this document.

This Communication is being supplied to you solely for your information and may not be reproduced by, further distributed to or published in whole or in part by, any other person.

United States

Edison relies upon the "publishers' exclusion" from the definition of investment adviser under Section 202(a)(11) of the Investment Advisers Act of 1940 and corresponding state securities laws. This report is a bona fide publication of general and regular circulation offering impersonal investment-related advice, not tailored to a specific investment portfolio or the needs of current and/or prospective subscribers. As such, Edison does not offer or provide personal advice and the research provided is for informational purposes only. No mention of a particular security in this report constitutes a recommendation to buy, sell or hold that or any security, or that any particular security, portfolio of securities, transaction or investment strategy is suitable for any specific person.
